Carey Moorman – String Consultant
moorman.carey@brevardschools.org

The Satellite High School Fine Arts Academy provides a first-class music education experience for over 250 students from across Brevard County. A multitude of programs are available including Marching Band, Concert Band, Wind Ensemble, Chamber Orchestra, Symphonic Orchestra, and Jazz Band. In order to maintain this superior educational experience, funds are required to purchase and repair instruments, purchase music and associate equipment, and meet the logistical needs of the program. Therefore, we are seeking corporations, small businesses, and individuals interested in investing in these future leaders by supporting the Satellite High Music Program.

Thank you for your generous contribution and your continued support of the Satellite High School Fine Arts Academy.

Kyle Brown, President
 Satellite Instrumental Music Foundation
