A Gala for The Henegar Center for the Arts!

Saturday, March 24, 2018

6 - 9 PM

Collector Mark Pieloch's museum opens its doors only for good causes. So, this is your opportunity to experience his spectacular collection of cars from the glory days of American muscle—and to celebrate ***Through the Years With The Henegar***, a fundraiser for ***The Henegar Center for the Arts***. Inside the museum, you'll find 280 classic cars including the most extensive collection of Yenkos in the world, decades of Indy 500 pace cars and trucks, one of every color of Ford GTs ever made, and much more. Each car is original, maintained, driven, and resides in this massive, solar-powered museum. You'll want photo ops of your faves as well as of costumed actors from the most popular Henegar Center productions.
